STANDARD FORM NO. 64 Approved For Release 2003/11/04 : CIA-RDP57-00384R001100050096-2

## Office Memorandum • UNITED STATES GOVERNMENT

TO :	Walter L. Pforzheimer DATE: 13 Oct. 1948	
FROM:	General Counsel STATINTL	
SUBJECT:	Copyright Problems	
STATINTL	linforms us that representatives are arriving here on the 22nd of October to discuss	
STATINTL	problems in connection with the interchange of information between They have indicated that one problem, on which they desire some sort of an answer,	
STATINTL STATINTL	concerns possible copyright infringements which would subject to suit. In this connection, states that they will not get copyrighted material of the American press services, AP, UP, and INS, but they will be given everything received from such sources as the Tokyo News Service, Central News Service of China, AFG (a French service), and any others outside of the U.S. and the	STATINTL
STATINTL STATINTL	2. problem differs from that of of course. In that they broadcast news both inside the and overseas. It is probably impossible to give categoric answers on the technical points involved, but we should be prepared to discuss them and make practical suggestions.	STATINTL
